"The absolute finest chimney care in Central Minnesota"

Happy Holidays from Tom, Ruth and Anthony!

**Proud to Serve the
Central Minnesota area
for over 12 years with the
following services:**
Chimney Inspections
Video Scanning and Cleaning
Chimney Relining
Masonry Repair
Wood Burning Fireplace Inserts
Wood Stoves
Chimney Waterproofing
Chimney Caps
Top Sealing Dampers
Furnace Duct Cleaning
Duct Sanitizing

Oven Stew

Cut the following into bite size pieces and layer in roaster or 6 qt kettle with lid.

Sirloin or other meat
4-5 potatoes
5-6 carrots
1 small rutabaga
Celery (almost a whole bunch)
Salt and pepper to taste

Pour over top: 4-5 cans golden mushroom soup
1 can water
No need to mix until ready to serve.
Cover and bake 4 hours at 325 degrees
Don't Peek!
Serves a crowd. Or it makes great leftovers.

My brother-in-law is a big sportsman, so my sister uses venison in hers and says it is really delicious. Put this in the oven on a busy day (Christmas shopping?) When you get home the house is warm and smells like you have been slaving over the stove all day. Just mix and serve with a nice crusty bread or maybe the overnight crescent rolls from the Spring 06 newsletter.

**Sweep Dreams and Arborgardens to hold Open House Together
Friday, Nov 17th 5-9, Sat 18th & Sun 19th 10-5**

Open House for Sweep Dreams Chimney Service will be at the same time as Arborgardens Studio. Stop by to view the Napoleon line of fireplace inserts and woodstoves that we sell and install. Give a Smart Splitter a try. Chat with Tom about any of our many services. Stop by and enjoy some refreshments, we'll be happy to see you!

10% Annual Discount Program - How it Works

Every spring and summer we offer specials and discounts to encourage people to have their annual inspection and cleaning on their chimney done early. This enables us to serve all our valuable customers on a timely basis, and allows us to have your regular maintenance done when you are ready to use your burning appliance when the cold weather hits. Being an annual customer has its perks. When regular maintenance is done annually in the spring or summer, we automatically give you a 10% discount with out having to clip coupons or wait for ads. Here's how it works. When you have your chimney inspected and cleaned, we have you fill out a postcard with your name and address. We keep it on file, and send a reminder card when it is time to have your annual chimney check. We then follow up with a phone call to confirm two things: 1. That you do indeed need our service this year. 2. Set a time and date that works for you. Don't you wish you had someone keeping track of all the things that need to be done annually? We're here to make your life easier. Let us help you. Have a warm and cozy winter in front of the fire.

Arborgardens STUDIO

ORIGINAL WATERCOLOR & DECORATIVE PAINTINGS

Ruth's artwork has been featured on the cover of Minnesota Moments magazine! The 2006 Minnesota Moments Holiday print will be available at the open house, framed and unframed.

Get More Heat From Your Fireplace With Less Wood and Less Effort

Fireplaces are cozy centers around which families gather. Those magical flames have long danced their way into our rapt attention and into our hearts. Now, with advancements in wood burning technology, they can also warm the rest of the room.

Napoleon's wood burning fireplace inserts are engineered to bring you more heat with less fuel. So you'll spend less time tending the fire and more time enjoying it. That's warmth with a smile.

You can enjoy your fire knowing you are being environmentally responsible. Napoleon inserts exceed EPA (Environmental Protection Agency) standards. Innovative, patented technologies ensure more complete, high-efficient combustion that incinerates potentially harmful smoke particulates. Both models come with Napoleon's President's Limited Lifetime Warranty.

For more information about converting your old fire place to an efficient heat producing appliance, look on our website www.SweepDreamsChimneyService.com or visit our showroom during our open house.

Why Have a CSIA Certified Chimney Sweep?

The Chimney Safety Institute of America is the premier chimney safety program in the United States. The CSIA website provides information regarding what is required for CSIA certification:

CSIA Certified Chimney Sweeps keep abreast of the current developments and the technology of their trade. They are knowledgeable about the most recent National Fire Protection Association standards as well as the specifics of state and local codes covering their geographic area. In order to ensure a verifiable level of expertise within the trade, the Chimney Safety Institute of America administers the CSIA Certified Chimney Sweep Program.

It is an educational and testing program designed to assess a chimney sweep's knowledge of:

- (1) Technical issues related to chimney construction and dynamics
- (2) Solid fuel appliances and EPA requirements
- (3) The physics of wood burning and creosote formation
- (4) Codes, clearances and standards
- (5) The practices and techniques of the trade.

Throughout most of the 50 states, the homeowner's best gauge of a chimney serviceperson's knowledge is the CSIA Certified Chimney Sweep credential. CSIA Certified Sweeps are tested every three years, and display a dated, photo-ID badge. A good way to be sure the sweep servicing your chimney is currently Certified is to check the search engine on the CSIA website or call the CSIA office. These sweeps must also sign a CSIA Chimney Sweep Code of Ethics to help insure homeowners get not only a knowledgeable sweep, but an honest one. Don't settle for less!!

Dust Mite

Do Your Air Ducts Look Like This? When Was The Last Time Your Air Ducts Were Cleaned? You might be amazed, (and a little creeped out!) when you see what is lurking in your home's air ducts. The very air you breathe cycles through those ducts every time your furnace or central air is running. Air duct cleaning cleans one source of allergens in the home. If you are like the majority of homeowners, your ducts have never been cleaned. Don't you think it is about time? Take advantage of our BIG discount coupons, and make the call to improve your indoor air quality, today! Call (320) 252-6242.
